#### REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Director and Managing Members of BRIGHTCHOICE FINANCIAL, LLC

We have audited the financial statements of BrightChoice Financial, LLC ("Company") which comprise the statement of financial condition as of OCTOBER 31, 2017, and the related statements of operations, changes in member's equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. The Company's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of October 31, 2017, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The information contained in the supplemental schedule listed in the accompanying index has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements.

## REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM (Continued)

The supplemental information is the responsibility of the Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule17a-5 of the Securities Exchange Act of 1934. In our opinion, the Supplementary Information is fairly stated in all material respects in relation to the financial statements as a whole.

#### Note 1 Organization and Summary of Significant Accounting Policies

**Organization and Business** 

BrightChoice Financial, LLC ("Company") is a Tennessee limited liability company formed on January 10, 2007. The Company was approved to operate as a broker-dealer, with a perpetual period of duration, registered with the Securities and Exchange Commission ("SEC"). The Company became a member of the Financial Industry Regulatory Authority on October 23, 2008. The Company provides investment banking services primarily in private placements and merger and acquisition, capital advisory services to clients in various industries. The Company is a wholly owned subsidiary of 2<sup>nd</sup> Generation Capital, LLC (the "Parent").

Rule 15c3-3 Exemption
The Company, under Rule 15c3-3(k)(2)(i), is exempt from the reserve and possession or control requirements of Rule 15c3-3 of the Securities and Exchange Commission. The Company does not carry or clear customer accounts.

The Company recognizes Success fees when contract services are completed and fees are earned. Fess are considered to be earned when the terms of the agreement have been satisfied. Retainer fees are recognized when received and the work is performed.

The Company defines cash equivalents as highly liquid investments, with original maturities of less than 90 days, which are not held for sale in the ordinary course of business.

Income Taxes

The Company is a single-member limited liability company and is considered a disregarded entity for federal income tax reporting purposes. All items of revenue, expense, gain and loss are included on the Parent's return. Accordingly, the financial statements do not include a provision for income taxes since the Company is not a taxable entity. The Company's members are taxed on the Company's earnings.

At October 31, 2017, management has determined that the Company had no uncertain tax positions that would require financial statement recognition. This determination will always be subject to ongoing reevaluation as facts and circumstances may require. The Company's open tax years (2013 through 2015) remain subject to income tax audits.

Fair Value of Financial Instruments

The carrying amounts reflected in the financial statements for cash, other assets, due to parent and accrued expenses approximate their respective fair values due to the short term maturities of these instruments.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the securities Exchange Act of 1934.
